

Description of the Amendments to the Code of Business Conduct and Ethics

On December 9, 2020, the Board of Directors of Analog Devices, Inc. (the “Company”) approved amendments to the Company’s Code of Business Conduct and Ethics (the “Code”). The revised Code can be found under the Governance tab of the Company’s Investor Relations website at <http://investor.analog.com>. The purpose of the amendments is to update the Code to reflect business developments in order to provide the Company’s employees with additional guidance and greater detail on various matters, including the following:

- workplace safety and environmental protection;
- gifts and entertainment;
- conflicts of interest; and
- social media usage.

The revised Code also reflects other technical, administrative and non-substantive changes designed to update previous provisions.
