NORWOOD, Mass.--(BUSINESS WIRE)--Nov. 26, 2018-- [Analog Devices, Inc.](#) (Nasdaq: ADI) has been recognized by several prestigious media outlets and a non-profit organization for offering its employees a great working environment and meaningful benefits programs, underscoring the Company's commitment to being an employer of choice.

"Fostering an environment that enables our employees to grow and thrive is integral to our culture," said Vincent Roche, President and CEO at Analog Devices. "We are committed to offering and maintaining an inclusive and engaging workplace, where *all* employees can learn, innovate, grow and be acknowledged for their contributions to our business. We are honored that our efforts have been recognized by these renowned organizations."

The global technology company was included in *Forbes'* 2018 [World's Best Employers](#) list. Recipients were chosen from *Forbes'* list of the 2,000 largest publicly traded companies across the globe. Earlier this year, ADI was also named to the publication's list of [America's Best Employers](#).

The Boston Globe – the largest publication in ADI's home state of Massachusetts – again awarded the Company with its respected [Top Places to Work](#) accolade. This list of the most admired workplaces in Massachusetts evaluates employee survey responses around a range of qualitative metrics.

Also this year, the Dave Thomas Foundation for Adoption included ADI on its list of [100 Best Adoption-Friendly Workplaces 2018](#), honoring ADI's commitment to providing meaningful benefits and impactful programs for its employees. These rankings recognize the financial and parental leave benefits that ADI provides to employees who serve as foster parents or have recently adopted a child.
