Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 30, 2010, Analog's Compensation Committee approved new forms of the stock option and restricted stock unit agreements for stock options and restricted stock unit awards made to Analog's executive officers and employees pursuant to and as permitted by Analog's 2006 Stock Incentive Plan. The forms provide for vesting of the stock options and restricted stock units according to the schedules set forth therein and for vesting in full on the occurrence of certain events, such the death of the recipient. The foregoing description of the stock option and restricted stock unit agreements does not purport to be complete and is qualified in its entirety by reference to the Forms of Global Non-Qualified Stock Option Agreement and Global Restricted Stock Unit Agreement filed as Exhibit 10.1 and 10.2 of this Report and incorporated herein by reference.

**2006 STOCK INCENTIVE PLAN
GLOBAL NON-QUALIFIED STOCK OPTION AGREEMENT**

Private & Confidential (Addressee Only)

{EMPNAME}
{EMPNUMBER}

We are pleased to advise the Optionee (the "Optionee") that Analog Devices, Inc., a Massachusetts corporation (the "Company"), has granted to the Optionee an option to purchase that number of shares of Common Stock set forth below (the "Option") subject to the terms and conditions of the Analog Devices, Inc. 2006 Stock Incentive Plan (the "Plan"), and this Global Non-Qualified Stock Option Agreement, including Appendix A, which includes any applicable country-specific provisions, and Appendix B, which includes additional documents that may need to be signed and returned to the Company (this agreement and Appendices A and B, collectively, the "Agreement"). The grant of this Option reflects the Company's confidence in the Optionee's commitment and contributions to the success and continued growth of the Company.

All terms not defined herein shall have the meanings assigned to such terms in the Plan.

1. Grant of Option. Subject to the terms and conditions of the Plan and this Agreement, the Company has granted to the Optionee an Option to purchase that number of shares of the Company's Common Stock (the "Option Shares") effective on the Date of Grant set forth below:

Date of Grant:	{GRANTDATE}
Number of Option Shares Granted:	{SHARESGRANTED}
Option Exercise Price Per Share:	{EXERCISEPRICE}

2. Vesting and Exercise of Option. Subject to the Optionee's continued employment with the Company or the Employer (as defined in 3(h) below) and other limitations set forth in this Agreement and the Plan, the Option will vest as to a set number of shares on each of the vesting dates set out in the following schedule:

VEST DATE	NUMBER OF SHARES
{VESTDATE1}	{SHARES1}
{VESTDATE2}	{SHARES2}
{VESTDATE3}	{SHARES3}
{VESTDATE4}	{SHARES4}
{VESTDATE5}	{SHARES5}

The right of exercise is cumulative, so that an Option, once vested, may be exercised, in whole or in part, at any time up to {EXPDATE}, the expiration date, or such earlier date as provided in Section 3 below or in the country-specific provisions in Appendix A.

3. Term of Option; Termination of Employment.

- (a) The term of the Option is ten (10) years after the Date of Grant, subject, however, to the early termination provisions set forth herein.
- (b) Except as otherwise provided herein, the Option shall be exercisable by the Optionee (or his/her successor in interest) following the termination of the Optionee's employment only to the extent that the Option was vested on or prior to the date of such termination.
- (c) The vesting of the Option shall terminate on the date the Optionee voluntarily terminates employment with the Company or the Employer (as defined in Section 3(h))(except by reason of retirement after attaining age 60 as provided below) or on the date his/her employment is terminated by the Company or the Employer without "Cause" (as defined in paragraph 4), but any Option Shares that are vested on the date of such termination shall continue to be exercisable for a period of three (3) months following such termination date.
- (d) The Option shall terminate on the date the Optionee's employment with the Company or the Employer is terminated by the Company or one of its subsidiaries for "Cause", and all Option Shares that are then vested shall forthwith cease to be exercisable. "Cause" for this purpose means unsatisfactory job performance (as determined by the Company), willful misconduct, fraud, gross negligence, disobedience or dishonesty.
- (e) Upon the death of the Optionee while he/she is an employee of the Company or the Employer, the Option shall become immediately vested in full as to all shares on the date of death and shall continue to be exercisable (by the Optionee's successor in interest) over the remaining term of the Option.

- (f) If the Optionee's employment with the Company or the Employer terminates by reason of the retirement of the Optionee after attaining age 60, the vesting of the Option shall terminate on the date of such retirement, but any Option Shares that are vested on the date of such retirement shall continue to be exercisable over the remaining term of the Option; provided that all then-exercisable Option Shares held by such Optionee shall immediately cease to be exercisable in the event that such Optionee becomes an employee of any competitor of the Company or the Employer (as determined in the sole discretion of the Company).
 - (g) If the Optionee becomes Disabled (as defined below), regardless of whether Optionee terminates employment with the Company or the Employer, the Option Shares that are not vested as of the date of disability shall vest on the date or dates (over the remaining term of the Option) that they otherwise would have vested if the Optionee had not become Disabled. Any Option Shares that are vested upon disability prior to giving effect to this provision shall continue to be vested over the remaining term of the Option. For the purpose of this Agreement, "Disabled" is defined pursuant to Internal Revenue Code Section 22(e)(3) and means the Optionee's inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, as determined by the Company.
 - (h) For purposes of this Agreement, employment shall include being an employee with the Company. Employment shall also include being an employee with any direct or indirect parent or subsidiary of the Company, or any successor to the Company or any such parent or subsidiary of the Company (the "Employer"). Should an Optionee transfer employment to become a director, consultant or advisor to the Company or the Employer following the Date of Grant, he or she will be considered employed for vesting purposes until he or she ceases to provide services to the Company or any direct or indirect parent or subsidiary of the company, or any successor to the Company or any such parent or subsidiary of the Company.
4. Payment of Exercise Price. The following payment methods may be used to purchase Option Shares:
- (a) A cashless exercise in a manner described in Section 5(f)(2) of the Plan.
 - (b) Cash or check payable to the Company.
 - (c) Delivery by the Optionee of shares of Common Stock of the Company owned by the Optionee and subject to such other terms and conditions contained in the Plan.
 - (d) Any combination of the above methods.
5. Non-Transferability of Option. Except as provided by will or the laws of descent and distribution or as permitted by the Plan, this Option is personal and no rights granted hereunder shall be transferred, assigned, pledged, or hypothecated in any way (whether by operation of law or otherwise), nor shall any such rights be subject to execution, attachment or similar process.
6. Adjustment. This Option is subject to adjustment (including with respect to vesting of the Option Shares) upon certain changes in the Company's common stock and certain other events, including a Change in Control Event or a Reorganization Event, as provided in Section 11 of the Plan.
7. Withholding Taxes. Regardless of any action the Company or the Employer, if different, takes with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax related items related to the Optionee's participation in the Plan and legally applicable to the Optionee ("Tax-Related Items"), the Optionee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Optionee's responsibility and may exceed the amount actually withheld by the Company or the Employer. The Optionee further acknowledges that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option, including, but not limited to, the grant, vesting or exercise of the Option, the subsequent sale of Option Shares acquired pursuant to such exercise and the receipt of any dividends; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Option to reduce or eliminate the Optionee's liability for Tax-Related Items or achieve any particular tax result. Further, if the Optionee has become subject to tax in more than one jurisdiction between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Optionee acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to the relevant taxable or tax withholding event, as applicable, the Optionee will pay or make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Optionee authorizes the Company and/or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (i) withholding from the Optionee's wages or other cash compensation paid to the Optionee by the Company and/or the Employer; or (ii) withholding from proceeds of the sale of Option Shares acquired at exercise of the Option either through a voluntary sale or through a mandatory sale arranged by the Company (on the Optionee's behalf pursuant to this authorization); or (iii) withholding a sufficient number of whole Option Shares otherwise issuable upon the exercise of the Option that have an aggregate Fair Market Value (as defined under the Plan) sufficient to pay the minimum Tax-Related Items required to be withheld with respect to the exercised Option. The cash equivalent of the Option Shares withheld will be used to settle the obligation to withhold the Tax-Related Items (determined by reference to the closing price of the Common Stock on the New York Stock Exchange on the applicable exercise date).

To avoid any negative accounting treatment, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding amounts or other applicable withholding rates. If the obligation for Tax-Related Items is satisfied by withholding in whole Option Shares, for tax purposes, the Optionee is deemed to have been issued the full number of Option Shares subject to the exercised Options, notwithstanding that a number of the Option Shares are held back solely for the purpose of paying the Tax-Related Items due as a

result of any aspect of the Optionee's participation in the Plan. No fractional Option Shares will be withheld or issued pursuant to the grant of the Option and the issuance of Option Shares hereunder.

Finally, the Optionee shall pay to the Company or the Employer any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Optionee's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the shares or the proceeds of the sale of Option Shares, if the Optionee fails to comply with the Optionee's obligations in connection with the Tax-Related Items.

8. **Nature of Grant.** In accepting the Option, the Optionee acknowledges, understands and agrees that:

- (a) the Plan is established voluntarily by the Company, it is discretionary in nature, and may be amended, suspended or terminated by the Company at any time;
- (b) the grant of the Option is voluntary and occasional and does not create any contractual or other right to receive future grants of options, or benefits in lieu of options, even if options have been granted repeatedly in the past;
- (c) all decisions with respect to future option grants, if any, will be at the sole discretion of the Company;
- (d) the Optionee's participation in the Plan shall not create a right to further employment with the Employer and shall not interfere with the ability of the Employer to terminate the Optionee's employment or service relationship (if any) at any time;
- (e) the Optionee is voluntarily participating in the Plan;
- (f) the Option and any Option Shares acquired under the Plan are not part of normal or expected compensation or salary for any purposes, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end of service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments and in no event should be considered as compensation for, or relating in any way to, past services for the Company or the Employer;
- (g) the Option grant and the Optionee's participation in the Plan will not be interpreted to form an employment or service contract or relationship with the Company or the Employer;
- (h) the future value of the Option Shares underlying the Option is unknown and cannot be predicted with certainty;
- (i) if the underlying Option Shares do not increase in value, the Option will have no value;
- (j) if the Optionee exercises the Option and acquires Option Shares, the value of such Option Shares may increase or decrease in value, even below the Exercise Price;
- (k) for Optionees who reside outside the U.S., the following additional provisions shall apply:
 - (i) the Option and any Option Shares acquired under the Plan are not intended to replace any pension rights or compensation;
 - (ii) the Option and any Option Shares acquired under the Plan are extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or the Employer, and which is outside the scope of the Optionee's employment or service contract, if any; and
 - (iii) no claim or entitlement to compensation or damages shall arise from forfeiture of the Option resulting from termination of the Optionee's employment by the Company or the Employer (for any reason whatsoever and whether or not in breach of local labor laws) and in consideration of the grant of the Option to which the Optionee is otherwise not entitled, the Optionee irrevocably agrees never to institute any claim against the Company or the Employer, waive his or her ability, if any, to bring any such claim, and release the Company and the Employer from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, the Optionee shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claims.

9. **No Advice Regarding Grant.** The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Optionee's participation in the Plan, or the Optionee's acquisition or sale of the underlying Option Shares. The Optionee is hereby advised to consult with his or her own personal tax, legal and financial advisors regarding his or her participation in the Plan before taking any action related to the Plan.

10. **Data Privacy.** *This Section 10 applies if the Optionee resides outside the U.S.: The Optionee hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Optionee's personal data as described in this Agreement and any other Option grant materials by and among, as applicable, the Employer, the Company and its subsidiaries for the exclusive purpose of implementing, administering and managing the Optionee's participation in the Plan.*

The Optionee understands that the Company and the Employer may hold certain personal information about the Optionee, including, but not limited to, the Optionee's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares of stock or directorships held in the Company, details of all Options or any other entitlement to shares of stock awarded, canceled, exercised, vested, unvested or outstanding in the Optionee's favor, for the exclusive purpose of implementing, administering and managing the Plan ("Data").

The Optionee understands that Data will be transferred to such other stock plan service provider as may be selected by the Company that assists the Company with the implementation, administration and management of the Plan. The Optionee understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipient's country (e.g., the United States) may have different data privacy laws and protections than the Optionee's country. The Optionee understands that he or she may request a list with the names and addresses of any potential recipients of the Data by contacting the Optionee's local human resources representative. The Optionee authorizes the Company, the stock plan service provider, and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing his or her participation in the Plan. The Optionee understands that Data will be held only as long as is necessary to implement, administer and manage the Optionee's participation in the Plan. The Optionee understands that he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing his or her local human resources representative. The Optionee understands, however, that refusing or withdrawing his or her consent may affect the Optionee's ability to participate in the Plan. For more information on the consequences of the Optionee's refusal to consent or withdrawal of consent, the Optionee understands that he or she may contact his or her local human resources representative.

11. Governing Law. This Agreement shall be construed, interpreted and enforced in accordance with the internal laws of the Commonwealth of Massachusetts without regard to any applicable conflicts of laws.
12. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Optionee hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.
13. Language. If the Optionee has received this Agreement, or any other document related to the Option and/or the Plan translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.
14. Severability. The provisions of this Agreement are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.
15. Appendices. The Option shall be subject to any special provisions set forth in the Appendices for the Optionee's country of residence, if any. If the Optionee relocates to one of the countries included in the Appendices during the life of the Option, the special provisions for such country shall apply to the Optionee, to the extent the Company determines that the application of such provisions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. The Appendices constitute part of this Agreement.
16. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Option and the Option Shares purchased upon exercise of the Option, to the extent the Company determines it is necessary or advisable in order to comply with local laws or facilitate the administration of the Plan, and to require the Optionee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

A copy of the Plan prospectus is available on the Company's Intranet at www.analog.com/employee (from Signals home page, click Knowledge Centers, HR, Employee Stock Programs. The related documents can be found in the right-hand column). If the Optionee is unable to access this information via the Intranet, ADI's or the Optionee's regional stock plan administrator can provide the Optionee with copies.

**2006 STOCK INCENTIVE PLAN
GLOBAL RESTRICTED STOCK UNIT AGREEMENT**

Private & Confidential (Addressee Only)

{EMPNAME}
{EMPNUMBER}

We are pleased to advise you (the "Participant") that Analog Devices, Inc., a Massachusetts corporation (the "Company"), has granted to the Participant that number of Restricted Stock Units ("RSUs") set forth below, subject to the terms and conditions of the Analog Devices, Inc. 2006 Stock Incentive Plan (the "Plan") and this Global Restricted Stock Unit Agreement, including Appendix A, which includes any applicable country-specific provisions, and Appendix B, which includes additional documents that may need to be signed and returned to the Company depending on the Participant's country of residence (this agreement, collectively with Appendices A and B, the "Agreement"). The grant of RSUs reflects the Company's confidence in the Participant's commitment and contributions to the success and continued growth of the Company. All terms not defined in this Agreement shall have the meaning set forth in the Plan.

1. Restricted Stock Unit.

Subject to the terms and conditions of the Plan and this Agreement, the Company has granted to the Participant that number of RSUs (the "Award") effective on the Date of Grant set forth below:

Date of Grant:	{GRANTDATE}
Number of RSUs:	{SHARESGRANTED}
Vesting Schedule:	{VESTSCHED}

Each one (1) RSU shall, if and when it vests in accordance with this Agreement, automatically convert into one (1) share of common stock, US\$0.16 2/3 par value, of the Company ("Common Stock") issuable as provided below. The RSUs are subject to the vesting provisions set forth in Section 2, the restrictions on transfer set forth in Section 3 and the right of the Company to retain Shares (as defined below) pursuant to Section 6 and to any special terms and conditions for countries outside the U.S. set forth in Appendices A and B.

2. Vesting and Conversion.

- (a) Subject to the terms of the Plan and this Agreement, the RSUs shall vest in accordance with the schedule set forth in Section 1. For purposes of this Agreement, RSUs that have not vested as of any particular time in accordance with this Section 2(a) are referred to as "Unvested RSUs." The shares of Common Stock that are issuable upon the vesting and conversion of the RSUs are referred to in this Agreement as "Shares." As soon as administratively practicable after the issuance of any Shares upon the vesting and conversion of RSUs, and subject to the terms and conditions set forth herein, the Company shall deliver or cause to be delivered evidence (which may include a book entry by the Company's transfer agent) of the Shares so issued in the name of the Participant to the brokerage firm designated by the Company to maintain the brokerage account established for the Participant. Notwithstanding the foregoing, the Company shall not be obligated to issue Shares to or in the name of the Participant upon the vesting and conversion of any RSUs unless the issuance of such Shares shall comply with all relevant provisions of law and other legal requirements including, without limitation, any applicable securities laws and the requirements of any stock exchange upon which shares of Common Stock may then be listed.
- (b) In the event the Participant's employment with the Company or the Employer (as defined in Section 2(e)) is terminated either by the Participant, the Company, or the Employer for any reason or no reason (other than due to death or Disability or as otherwise provided in the Plan or below), then in each such case, all of the Unvested RSUs as of the date of termination shall terminate and be cancelled immediately and automatically and the Participant shall have no further rights with respect to such Unvested RSUs.
- (c) In the event the Participant's employment with the Company or the Employer is terminated by reason of the Participant's death, all Unvested RSUs shall vest in full as of the date of the Participant's death.
- (d) In the event the Participant's employment with the Company or the Employer terminates by reason of Disability (as defined below), the Unvested RSUs as of the date of the Participant's termination shall vest in full as of the date of the termination. For the purpose of this Agreement, "Disability" means (i) the Participant's inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, as determined by the Company.
- (e) For purposes of this Agreement, employment shall include being an employee with the Company. Employment shall also include being an employee with any direct or indirect parent or subsidiary of the Company, or any successor to the Company or any such parent or subsidiary of the Company (the "Employer"). Should a Participant transfer employment to become a director, consultant or advisor to the Company or the Employer following the Date of Grant, he or she will still be considered employed for vesting purposes until he or

she ceases to provide services to the Company or any direct or indirect parent or subsidiary of the Company, or any successor to the Company or any such parent or subsidiary of the Company.

3. Restrictions on Transfer.

- (a) The Participant shall not sell, assign, transfer, pledge or otherwise encumber any RSUs, either voluntarily or by operation of law.
- (b) The Company shall not be required (i) to transfer on its books any of the RSUs which have been transferred in violation of any of the provisions set forth herein or (ii) to treat as the owner of such RSUs any transferee to whom such RSUs have been transferred in violation of any of the provisions contained herein.

4. Not a Shareholder. The RSUs represent an unfunded, unsecured promise by the Company to deliver Shares upon vesting and conversion of the RSUs, and until vesting of the RSUs and issuance of the Shares, the Participant shall not have any of the rights of a shareholder with respect to the Shares underlying the RSUs. For the avoidance of doubt, the Participant shall have no right to receive any dividends and shall have no voting rights with respect to the Shares underlying the RSUs for which the record date is on or before the date on which the Shares underlying the RSUs are issued to the Participant.

5. Provisions of the Plan. The RSUs and Shares, including the grant and issuance thereof, are subject to the provisions of the Plan. A copy of the Plan prospectus is available on the Company's Intranet at www.analog.com/employee (from Signals home page, click Knowledge Centers, HR, Employee Stock Programs. The related documents can be found in the right-hand column).

6. Withholding Taxes.

- (a) Regardless of any action the Company and/or the Employer, if different, takes with respect to any or all income tax (including U.S. federal, state and local taxes and/or non-U.S. taxes), social insurance, payroll tax, payment on account or other tax-related withholding ("Tax-Related Items"), the Participant acknowledges that the ultimate liability for all Tax-Related Items legally applicable to the Participant is and remains the Participant's responsibility and may exceed the amount actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs, including the grant of the RSUs, the vesting of the RSUs, the subsequent sale of any Shares acquired pursuant to the RSUs and the receipt of any dividends; and (ii) do not commit to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant becomes subject to tax in more than one jurisdiction between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Participant acknowledges that the Company and/or the Employer may be required to withhold or account for Tax-Related Items in more than one jurisdiction.
- (b) Prior to any relevant taxable or tax withholding event, as applicable, the Participant will pay or make adequate arrangements satisfactory to the Company to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company and/or the Employer, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the methods set forth below:
 - (i) the Company may withhold a sufficient number of whole Shares otherwise issuable upon the vesting of the RSUs that have an aggregate Fair Market Value (as defined under the Plan) sufficient to pay the minimum Tax-Related Items required to be withheld with respect to the Shares. The cash equivalent of the Shares withheld will be used to settle the obligation to withhold the Tax-Related Items (determined by reference to the closing price of the Common Stock on the New York Stock Exchange on the applicable vesting date).
 - (ii) the Company may, in its discretion, withhold any amount necessary to pay the Tax-Related Items from the Participant's salary or other amounts payable to the Participant; or
 - (iii) the Company may withhold from proceeds of the sale of Shares either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization).

In the event the withholding requirements are not satisfied through the withholding of Shares or through the Participant's salary or other amounts payable to the Participant, no Shares will be issued upon vesting of the RSUs unless and until satisfactory arrangements (as determined by the Compensation Committee of the Board of Directors) have been made by the Participant with respect to the payment of any Tax-Related Items which the Company and/or the Employer determine, in each of its sole discretion, must be withheld or collected with respect to such RSUs. No fractional Shares will be withheld or issued pursuant to the grant of the RSUs and the issuance of Shares hereunder. By accepting this grant of RSUs, the Participant expressly consents to the withholding of Shares and/or cash as provided for hereunder. All other Tax-Related Items related to the RSUs and any Shares delivered in payment thereof are the Participant's sole responsibility.

7. Option of Company to Deliver Cash. Notwithstanding any of the other provisions of this Agreement and except as set forth in Appendices A and B, where otherwise prohibited under local law or where cash settlement may present adverse tax consequences to the Participant, at the time the RSUs vest, the Company may elect, in the sole discretion of the Compensation Committee of the Board of Directors, to deliver by wire transfer to the Participant in lieu of Shares an equivalent amount of cash (determined by reference to the closing price of the Common Stock on the New York Stock Exchange on the applicable vesting date). If the Company elects to deliver cash to the Participant, the Company is authorized to retain such amount as is sufficient in the opinion of the Company to satisfy the Tax-Related Items withholding obligations of the Company pursuant to Section 7 herein.

8. Data Privacy. This Section 8 applies if the Participant resides outside the U.S.: The Company hereby notifies the Participant of the following in relation to the Participant's personal data and the collection, processing and transfer of such data in relation to the grant of the RSUs and the Participant's participation in the Plan, pursuant to applicable personal data protection laws. The collection, processing and transfer of the Participant's personal data is necessary for the Company's administration of the Plan and the Participant's participation in the Plan, and the Participant's denial and/or objection to the collection, processing and transfer of personal data may affect the Participant's ability to participate in the Plan. As such, the Participant voluntarily acknowledges, consents and agrees (where required under applicable law) to the collection, use, processing and transfer of personal data as described herein.

The Company holds certain personal information about the Participant, including the Participant's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all RSUs or any other entitlement to Shares awarded, canceled, purchased, vested, unvested or outstanding in the Participant's favor, for the purpose of managing and administering the Plan ("Data"). The Data may be provided by the Participant or collected, where lawful, from third parties, and the Company will process the Data for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The data processing will take place through electronic and non-electronic means according to logistics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Participant's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Plan and for the Participant's participation in the Plan.

The Company will transfer Data as necessary for the purpose of implementation, administration and management of the Participant's participation in the Plan, and the Company may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Plan. These recipients may be located in the United States, the European Economic Area, or elsewhere throughout the world. The Participant hereby authorizes (where required under applicable law) the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Participant's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of Shares on the Participant's behalf to a broker or other third party with whom the Participant may elect to deposit any Shares acquired pursuant to the Plan.

The Participant may, at any time, exercise the Participant's rights provided under applicable personal data protection laws, which may include the right to (a) obtain confirmation as to the existence of the Data, (b) verify the content, origin and accuracy of the Data, (c) request the integration, update, amendment, deletion, or blockage (for breach of applicable laws) of the Data, and (d) to oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Plan and the Participant's participation in the Plan. The Participant may seek to exercise these rights by contacting the Participant's local HR manager.

9. Repatriation and Compliance with Laws. The Participant agrees as a condition of the grant of the RSUs, as applicable, to repatriate all payments attributable to the Shares and/or cash acquired under the Plan (including, but not limited to, dividends and any proceeds derived from the sale of the Shares acquired pursuant to the RSUs) in accordance with all foreign exchange rules and regulations applicable to the Participant. In addition, the Participant also agrees to take any and all actions, and consent to any and all actions taken by the Company and its subsidiaries, as may be required to allow the Company and its subsidiaries to comply with all laws, rules and regulations applicable to the Participant. Finally, the Participant agrees to take any and all actions as may be required to comply with the Participant's personal legal and tax obligations under all laws, rules and regulations applicable to the Participant.

10. Miscellaneous.

- (a) No Rights to Employment. The grant of the RSUs shall not confer upon the Participant any right to continue in the employ of the Company or the Employer, nor limit in any way the right of the Company or the Employer to terminate the Participant's employment at any time. The vesting of the RSUs pursuant to Section 2 hereof is earned only by satisfaction of the performance conditions, if any, and continuing service as an employee at the will of the Company or the Employer (not through the act of being hired or engaged or being granted the RSUs hereunder).
- (b) Discretionary Nature. The Participant acknowledges and agrees that the Plan is discretionary in nature and may be amended, cancelled, or terminated by the Company, in its sole discretion, at any time. The Participant's participation in the Plan is voluntary. The grant of the RSUs under the Plan is a one-time benefit and does not create any contractual or other right to receive a grant of RSUs or any other award under the Plan or other benefits in lieu thereof in the future. Future grants, if any, will be at the sole discretion of the Company, including, but not limited to, the form and timing of any grant, the number of Shares subject to the grant, and the vesting provisions. Any amendment, modification or termination of the Plan shall not constitute a change or impairment of the terms and conditions of the Participant's employment with the Company or the Employer. The RSUs and income from such RSUs shall not be included in any calculation of severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension, or retirement benefits or similar payments.
- (c) Exclusion from Termination Indemnities and Other Benefits. This Section 10(c) applies if the Participant resides outside the U.S.: The value of the RSUs and any other awards granted under the Plan is an extraordinary item of compensation outside the scope of the Participant's employment with the Company or the Employer (and the Participant's employment contract, if any). Any grant under the Plan, including the grant of the RSUs, is not part of normal or expected compensation. Further, the RSUs and the Shares are not intended to replace any pension rights or compensation.
-

- (d) No Entitlement. This Section 10(d) applies if the Participant resides outside the U.S.: In consideration of the grant of RSUs, no claim or entitlement to compensation or damages shall arise from forfeiture of the RSUs resulting from termination of the Participant's employment with the Company or the Employer (for any reason whatsoever and whether or not in breach of local labor laws), and the Participant irrevocably releases the Company from any such claim that may arise; if, notwithstanding the foregoing, any such claim is found by a court of competent jurisdiction to have arisen, the Participant shall be deemed irrevocably to have waived the Participant's entitlement to pursue such claim.
 - (e) Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law.
 - (f) Waiver. Any provision for the benefit of the Company contained in this Agreement may be waived, either generally or in any particular instance, by the Compensation Committee of the Board of Directors of the Company.
 - (g) Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Company and the Participant and their respective heirs, executors, administrators, legal representatives, successors and assigns, subject to the restrictions on transfer set forth in Section 3 of this Agreement.
 - (h) Notice. Each notice relating to this Award shall be in writing (which shall include electronic form) and delivered in person, electronically or by first class mail, postage prepaid, to the address as hereinafter provided. Each notice shall be deemed to have been given on the date it is received. Each notice to the Company shall be addressed to it at its offices at Analog Devices, Inc., One Technology Way, Norwood, Massachusetts, 02062, Attention: Chief Financial Officer. Each notice to the Participant shall be addressed to the Participant at the Participant's last known mailing or email address, as applicable, on the records of the Company.
 - (i) Pronouns. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural, and vice versa.
 - (j) Entire Agreement. This Agreement and the Plan constitute the entire understanding between the parties, and supersede all prior agreements and understandings, relating to the subject matter of these documents.
 - (k) Governing Law. This Agreement shall be construed, interpreted and enforced in accordance with the internal laws of the Commonwealth of Massachusetts without regard to any applicable conflicts of laws.
 - (l) Interpretation. The interpretation and construction of any terms or conditions of this Agreement or the Plan, or other matters related to the Plan, by the Compensation Committee of the Board of Directors of the Company shall be final and conclusive.
 - (m) Participant's Acceptance. The Participant is urged to read this Agreement carefully and to consult with his or her own legal counsel regarding the terms and consequences of this Agreement and the legal and binding effect of this Agreement. By virtue of his or her acceptance of this Award, the Participant is deemed to have accepted and agreed to all of the terms and conditions of this Agreement and the provisions of the Plan.
 - (n) Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to the RSUs or other awards granted to the Participant under the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.
 - (o) English Language. The Participant acknowledges and agrees that it is the Participant's express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the RSUs, be drawn up in English. If the Participant has received this Agreement, the Plan or any other documents related to the RSUs translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version shall control.
 - (p) Appendices A and B. Notwithstanding any provisions herein to the contrary, if the Participant transfers the Participant's residence and/or employment to a country other than the United States, the RSUs shall be subject to any special terms and conditions for such country as may be set forth in Appendices A and B to this Agreement. Moreover, if the Participant relocates to one of the countries included in Appendices A and B, the special terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local law or facilitate the administration of the Plan. The Appendices A and B constitute part of this Agreement.
 - (q) Additional Requirements. The Company reserves the right to impose other requirements on the RSUs, any Shares acquired pursuant to the RSUs, and the Participant's participation in the Plan, to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local law or to facilitate the administration of the Plan. Such requirements may include (but are not limited to) requiring the Participant to sign any agreements or undertakings that may be necessary to accomplish the foregoing.
 - (r) Private Placement. The Company has submitted filings in the United States in connection with the stock incentive plan under which this Award was made. The Company has not submitted any registration statement, prospectus or other filings with other local securities authorities (unless otherwise required under such local law), and the grant of the Award is not intended to be a public offering of securities in any other jurisdiction or subject to the supervision of other local securities authorities.
-

- (s) Changes in Capitalization. In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any non-cash distribution to holders of Common Stock, the number of RSUs, and Shares issuable upon vesting and conversion thereof, shall be appropriately adjusted in such manner as shall be determined by the Compensation Committee of the Board of Directors of the Company.
- (t) No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of Shares. The Participant is hereby advised to consult with his or her own personal tax, legal and financial advisors regarding his or her participation in the Plan before taking any action related to the Plan.
