Analog Devices Inc. at Citi Industrials Conference

NORWOOD, Mass.--(BUSINESS WIRE)-- [Analog Devices, Inc.](#) (NASDAQ: [ADI](#)), a global leader in high-performance semiconductors for signal processing applications, today announced that Mark Martin, Vice President, MEMS Sensor Products and Technology Group, and Ali Husain, Director of Investor Relations, presented during the Citi Industrials Conference on Monday, September 22, 2014.

"ADI's MEMS and sensor technologies are solving mission-critical challenges for our industrial, automotive, and healthcare customers," said Mr. Martin during his presentation. "Our portfolio of high-performance technologies and our unique capability to integrate sensors and signal processing are helping address these challenges, creating a competitive advantage for our customers, and driving growth for ADI."

Mr. Husain added, "MEMS sensors are a key technology pillar at ADI, where we are focused on harnessing the power of our innovation to drive diversified growth and shareholder returns."
