

Workplace Safety Overview

PUBLISHED: MAY 3, 2017

UPDATED: JULY 31, 2019

ADI regards the safety and health of its employees and the preservation of safe working conditions to be of paramount importance. ADI's safety regulations are written to ensure the well-being of all employees, as well as the preservation of equipment and property. Adherence to these safety regulations, as well as specific operating instructions, are to be strictly enforced by all managers and supervisors.
